Most walks last between 45 and 90 minutes. If you haven't walked for a while, short walks (**up to 30 minutes**) are available to help you get going.

**If you are coming for the first time** please try and arrive about 10 minutes early and we will make sure there is a walk to suit you. We won't normally walk on bank holidays or in very bad weather (e.g. snowy/icy).
