## For new walkers:

**Our health walks** are **FREE** and open to all - no need to book, just turn up at the meeting point. Our walking groups are friendly and sociable and have trained walk leaders. Most walks last between 45 and 90 minutes. If you haven't walked for a while, short walks (**up to 30 minutes**) are available to help you get going.

**If you are coming for the first time** please try and arrive about 10 minutes early and we will make sure there is a walk to suit you. We won't normally walk on bank holidays or in very bad weather (e.g. snowy/icy).
