Key to symbols

 Easy walk mostly flat and paved surfaces	 Drinks available	 All our walks are easy to get to by public transport unless stated otherwise
 Moderate walk some inclines and rough ground	 Toilets nearby	 Car parking
 Difficult walk steep inclines and muddy patches	 Usual length of walk (minutes)	 Facilities

Note for new walkers:

These health walks are **FREE** and open to all - no need to book, just turn up at the meeting point. Our walking groups are friendly and sociable and have trained walk leaders. Most walks last between 60 and 90 minutes. If you haven't walked for a while, shorter walks are available to help you get going.

If you are coming for the first time please try and arrive about 10 minutes early and we will make sure there is a walk to suit you. We won't normally walk in very bad weather (e.g. snowy/icy).
